Organigramm Institut für Physiologie:
(10.2024) gegenwärtige Leitung, aktive Forschungsgruppen und Administration/Support

Direktorium

Geschäftsführender Direktor
Co-DirektorInnen

Ordinariate

Prof. Christian Söller

Prof. Thomas Nevian
Prof. Katja Odening
Prof. Walter Senn

Doppelaffiliation
Universitätsklinik für Kardiologie
am Inselspital Bern

Institutskonferenz

The Institutes Council is the institute's central communication and participation body. It consists of all ordinary professors, assistant professors with Tenure Track, and Research Group Leaders. One delegate each from the PostDoc's/PhD students and the technical staff represent their specific interests.

Administration & Tech. / Experimenteller Support

- Personal & Finanz Administration
- ICT
- Werkstätten (Elektronik & Mechanik)
- Molecular Biology Plattform
- Tierstall / Tierzucht
- Facility Service und Hausdienst
- Imaging Support & Minflux Facility
- Lab Technician

Forschungsgruppen

Herzphysiology

ForschungsgruppenleiterInnen:

Prof. Jan **Kucera**	(Integrative Cardiac Bioelectricity)
PD Dr. Ange **Maguy**	(Artrial Fibrilation & Therapeutic Innovation)
Prof. Katja **Odening**	(Transnationale Cardiology/Electrophysiology)
Prof. Christian **Söller**	(Cardiac Calcium Regulation and Nanosignalling)
PD Dr. Nina **Ullrich**	(Functional Signaling and Cardiac Regeneration)

Neurowissenschaften

ForschungsgruppenleiterInnen:

Prof. Stéphane **Ciocchi**	(Systems Neuroscience)
Prof. Thomas **Nevian**	(Neuronal Plasticity)
Prof. Walter **Senn**i	(Computational Neuroscience)
Dr. Mihai **Petrrovici**	(Neuro-inspierd Theory)
Prof. Jean-Pascal **Pfister**	(Theoretical Neuroscience)
